

Nollywood Foundation, Inc. – 2008 Convention

Pitching Session Invitation

Come and pitch your movie.

The Nollywood Foundation, Inc will host a pitching session at the Nollywood Foundation Convention June 19-22nd at the Sofitel Hotel, Los Angeles. Nollywood practitioners will be exposed to core lines of international filmmaking practices to further build capacity.

During the pitching session, five Nigerian producers/directors would have the opportunity to make presentations on their “live” projects to a select panel of sales agents, financiers and distributors organized by renowned media consultant Rob Aft who is also a Nollywood Foundation Advisory Board Member. While there is no guarantee of funding, as the final decisions will be that of the panelists, this will give selected film makers an unusual opportunity to pitch their ideas to an international panel of decision makers interested in Nigerian Film.

The Nollywood Foundation thus invites Nigerian film makers to express their interest in the pitching session by submitting the attached form. Based on the applications, five producers will be invited to pitch their ideas at the forthcoming Nollywood Foundation Convention 2008 in Los Angeles. While film makers do not have to be based in Nigeria, it is expected that the projects will have a significant Nigerian theme, and/or have significant Nigerian locations. Initial screening for the pitching session will be done by an international panel of key decision makers in the industry. The pitching session will be held on the afternoon on June 20th at NF ‘08 in Los Angeles.

Interested participants should kindly complete the attached project submission form and send it by email no later than 11.00 pm June 13th (Nigerian Time) to nollywoodfoundation@gmail.com

For further enquiries, please contact Ms. Toluwa Amune at nollywoodfoundation@gmail.com.
